

1. K-LOVE serves me as a resident of my local community by providing hope and family oriented music to my family and friends.

2. The effect on the local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming would be very negative. K-Love provides an family alternative to secular music.

3. I believe that the service provided by K-LOVE is in the public interest because it provides hope to potential suicide victims and their families. K-LOVE shows how peace can be found in an otherwise turbulent world. It is a wonderful alternative to secular music.
